STAFF SPOTLIGHT

Ms. Avoneii is the Yellow Room Assistant Teacher and has been with the YMCA Preschool since the Spring of 2023. Ms. Avoneii has her Bachelors degree in Psychology and is currently in school for her Master's degree. She has a background in tutoring and summer camp. She loves to nurture young children and to help them have a great preschool experience!

FROM THE DESK OF MS. KASEY

Preschool has been a busy place this month! Our Preschool students celebrated their 100th day of school by dressing like they were 100 years old. They have a ton of wisdom packed in those brains and had fun celebrating being 100 days smarter! Our classes also celebrated Valentine's Day with card exchanges and a family night, complete with Valentine's crafts and treats. Our P4 students made a visit to Rossi school to learn what it will be like to be in Kindergarten. During our visit we were able to see the cafeteria and walk through the lunch line, visit a Kindergarten classroom and see many of the rooms for specials like art, music and gym!

NAEYC accreditation is a voluntary process that assesses and recognizes early childhood programs that meet high-quality standards

OUR PRESCHOOL VISION STATEMENT

The YMCA Preschool Program is a collaboration with the Vineland Public School District and the NJ Department of Education (fully funded through the NJ Early Childhood Public Aid) to offer a high quality preschool experience to all three and four year old students residing in Vineland. Through this partnership, students develop a love of learning at school and at home. We strive to create a family atmosphere by providing a warm, caring and positive environment that reflects our core values of: caring, honesty, respect and responsibility.
